

C.O.P.E.

Cooperative Outdoor Personal Experience

This is The Wall. One of the most popular and well known events on the Henderson C.O.P.E. course.

It takes teamwork and planning and preparation to conquer this event

The Mohawk Walk requires teamwork as a pair to traverse this course event.

Both scouts must work together to keep their own balance, as well as their teammate's balance.

C.O.P.E. events are all designed to help the scouting patrol and individual scout to expand their comfort zone and realize that they can rely on their companions.
